

FINDING YOUR SERIAL NUMBER AND PRODUCT CODE

There are three locations where you will find your Reverie® power base's serial number and product code.

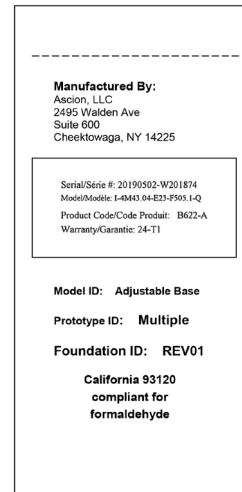

1. OWNER'S MANUAL

The serial number and product code can be located on the front of your owner's manual at the bottom right corner.

2. LAW TAG

The serial number and product code can be found on the law tag, which is located on the upper right corner at the head of the base.

3. PRODUCT STICKER

The serial number and product code can be located on the product sticker found underneath the base. To access the sticker, simply raise the foot of the bed revealing the sticker on the bar below.
